

BOUFFANT

Cleanroom Disposable Garment

Technical Data Sheet

Description

Bee-Safe™ Bouffants are made from 100% polypropylene. These bouffants are manufactured in a cleanroom environment and cleanroom packaged.

Features and Benefits

- Manufactured from 100% polypropylene material providing a soft, comfortable and low-linting solution
- Lightweight, breathable material allows for longer wear
- Production process guarantees extremely low particle generation and chemical extractables
- Latex-free elastic band allows for a secure fit and closure
- Meets USP <797> and USP <800> wipe requirements
- Custom products available upon request
